Candidate Registration Agreement

I understand that I am registering to use the National Board Candidate Management System (NBCMS) for the purposes of submitting my materials to the National Board for scoring. My uploaded materials are subject to all current National Board policies, guidelines, and technical specifications as described in the instructions provided on the National Board website. I am responsible for ensuring that my materials meet all National Board requirements.

may receive fees from those to whom it grants access to the Submission(s) and Student Work. These uses may make my Submission(s) and the Student Work available for viewing by a broad range of individuals, educators, and students. The National Board’s rights in Student Work are as authorized by the Release Forms.

The National Board will not publicly connect my name with my Submissions. Although the National Board, or its designee, may use and make my Submission(s) available to others as discussed above, the National Board will not affirmatively connect my name, nor the last names of my students, with the Submission(s) and the Student Work. I understand, however, that those viewing the Submission(s) may be able to identify me or my students by recognizing me or them by sight or voice. Moreover, if one of the video participants addresses me or another student by name, or if I am wearing a name tag, the National Board will not redact the name before making use of the Submission(s).

I acknowledge that I have read and agree to all terms and conditions in the Candidate Release Agreement.
