

Assessment Center FAQs

Authorization to Test (ATT)

Q: When will I receive my Authorization to Test (ATT)?

A: We will email you your Authorization to Test (ATT) as soon as Pearson VUE testing centers are ready to accept appointments, usually in early spring. Add PearsonVUEConfirmation@Pearson.com to your safe senders list to ensure it doesn't end up in your spam folder.

Q: Do I need to have my Authorization to Test (ATT) in hand when I test?

A: No, you are not required to bring your ATT to the assessment center on test day. The purpose of the ATT is to confirm you are authorized to test.

Identification Requirements

Q: What form of identification is required to gain admittance to the testing center?

A: In order to test, you must bring a current, valid, government-issued photo ID, with signature, which lists your first and last names exactly as they appear on your Authorization to Test (ATT). (Note: middle names are not used for identification purposes; only first and last names must be an exact match.) For a list of acceptable forms of ID, review the Component 1: Content Knowledge Assessment Center Policy and Guidelines, located on the [Assessment Center Testing](#) page of our website.

Q: My middle name isn't on my Authorization to Test (ATT), but it is on the photo ID I plan to use at the assessment center; will this be a problem?

A: Middle names are not used for identification purposes – only your first and last names must be an exact match.

Q: The first and last names in my National Board account do not match the first and last names on my government-issued photo ID. How do I Update the name in my account?

A: If you need to change the name on your account, send a detailed request using the [National Board web form](#) on the National Board's Contact Us page. (Please do not include a copy of your ID.) Allow up to 10 business days for processing.

Q: What if my driver's license expires before my appointment?

A: The government-issued photo ID you present to gain admittance to the assessment center must be valid and cannot be expired. You have two options:

1. Reschedule your appointment until such time as you can obtain a valid ID; or
2. Use an alternate, acceptable ID. For a list of acceptable forms of ID, review the Component 1: Content Knowledge Assessment Center Policy and Guidelines, located on the [Assessment Center Testing](#) page of our website.

Q: How do I reschedule my testing appointment?

A: If you wish to change the date, time, or location of your assessment center appointment, you may reschedule your appointment on the [Pearson VUE website](#) or by calling Pearson VUE Customer Service at 1-888-288-3028. The deadline for rescheduling your assessment center appointment is one business day (24 hours) before your scheduled appointment time. For example, if your appointment is scheduled for 3:00 p.m. on Monday, you must reschedule your appointment before 3:00 p.m. on the previous Friday. There is no fee for rescheduling an appointment if you meet this 24-hour requirement; however, dates, times, and locations may be limited. If you have been approved for testing accommodations, you must reschedule with the Accommodations Program Coordinator by telephone.

Q: I missed my appointment and need to reschedule. How do I do that?

A: If you do not reschedule one business day (24 hours) in advance of your assessment center appointment or were not permitted to test (due to invalid ID or similar issue), you will need to have your testing file reinstated in order to schedule a new appointment. To request reinstatement, send a detailed request to Customer Support using the [National Board web form](#) on the National Board's Contact Us page. You will be charged a \$175 fee for this service which must be paid by August 30.

Testing Accommodations

Q: What comfort aids are permitted in the testing room?

A: You may bring certain personal items defined as "minor comfort aids" to the assessment center to enhance your comfort during the testing session. Bringing and using such items in the assessment center is not considered a testing accommodation so no advance notice is required; however, you must present the items to testing staff for inspection prior to testing. Items that are considered "comfort aids" include:

- Tissues
- Cough drops (You must unwrap all cough drops before bringing them into the testing room.)
- A pillow or cushion
- Eyeglasses

- Hearing aids
- An insulin pump attached to your body

You must bring your own comfort aids; these items will not be provided at the assessment center. Visit the Pearson VUE website for a [complete list of comfort aids](#). If you require items or accommodations not listed above, you must submit a request using the form found in the [Request for Testing Accommodations Form and Instructions](#).

Q: How do I request testing accommodations?

A: If you have a disability that necessitates an accommodation under the ADA for either the portfolio or the assessment center component of the National Board Certification process, you must submit an accommodations request using the form found in the [Request for Testing Accommodations Form and Instructions](#). Please submit your request as early as possible and allow 6–8 weeks for processing. The deadline to submit a request for testing accommodation for assessment center testing is April 1, 2019.
