National Board Certification®

Eligibility Verification Forms and Instructions

Effective 2018

Note: The National Board will routinely audit candidate records and request proof of meeting the eligibility prerequisites as outlined in the Guide to National Board Certification. If you have not been selected to participate in the audit, do not submit these Eligibility Verification Forms.
INSTRUCTIONS

Follow the steps in this section to determine whether you meet the eligibility requirements for National Board Certification®. To be eligible, you must submit proof that you meet all employment, licensure, and education requirements prior to starting the certification process. Because teaching situations vary widely across the country, candidates are strongly urged to call 1-800-22TEACH (83224) to clarify these rules prior to applying and making payment, as the application charge and initial fee are nonrefundable.

If you meet the three requirements listed below, you may use the combined Candidate Eligibility Verification Form:

1. Have worked for at least three years in the same state-supported school district.
2. Were required to hold at least a bachelor’s degree for employment at this school (note, candidates registering for the Career and Technical Education certificate are required to hold a bachelor’s degree only if their state required one for their current license).
3. Were required to hold a valid state teaching license (or school counseling license if you applied for the ECYA/School Counseling certificate) for the three years of employment at this school.

If you do not meet the requirements above, you must complete and submit the following forms:

- Candidate Education Verification Form
- Candidate Employment Verification Form
- Candidate License Verification Form
- Candidate Workplace Verification Form

All of the forms listed above are included in this document. Submit your completed forms to us, using the National Board web form on the National Board's Contact Us page.

ECYA/School Counseling Candidates: To apply for this certificate area, you must have been employed as a school counselor (not as a classroom teacher) at the pre-K through 12 level for a minimum of three years, meet the licensure requirements established by your state for a “school counselor,” and have held that valid license during those years of employment.

COMPLETING AND SUBMITTING REQUIRED FORMS

Almost all verification forms request information from you and from institution(s). It may take time for the institution(s) to complete these forms; the National Board encourages you to submit them to the appropriate institution(s) as soon as possible. Before you submit any forms to an institution, complete the following steps:

- Complete your portion of the forms as instructed.
- Sign your name.
- Write your National Board ID number in the space provided.

Because you are responsible for submitting all documentation to the National Board, you will need to instruct the institution(s) to return the completed form(s) directly to you. Remember that you will sign these forms attesting that the information is accurate.

Submit all completed forms and documentation to verify you meet the eligibility requirements at the same time - the National Board is unable to process individual forms that are sent separately. Once you have received all signed and completed forms from the necessary institution(s), submit them together using the National Board web form on the National Board's Contact Us page. You will need to create a Zip file or convert your individual forms to a multi-paged PDF before submitting.

If the National Board does not receive these completed forms by the established deadline, you will be declared ineligible for National Board Certification, and your registration will be withdrawn.
CANDIDATE ELIGIBILITY VERIFICATION FORM

This combined form is for use ONLY if you (1) have worked for at least three years (or the equivalent) at the same state-supported school district, (2) are required to hold at least a bachelor’s degree (or its equivalent if applying for the CTE certificate) for employment at this school, and (3) are required to hold a valid state teaching license (or school counseling license if you applied for the ECYA/School Counseling certificate) for the three years of employment at this school. (Employment under an intern or similar license is not acceptable for candidacy.) You must meet the three requirements listed above. If you do not meet all three requirements, you are not eligible to use this form and must complete and submit the individual forms. If you are working at a facility that does not require a teaching or school counseling license, you cannot use this form.

Candidate: Write your National Board ID number in the space provided, complete the top part of the form, and attach a copy of your current, valid state teaching license (or current, valid state school counseling license if you applied for the ECYA/School Counseling certificate) and any other teaching licenses you have held for the three years of employment. Then give the form to your employer to review, sign, and submit. If you worked at more than one school in the same state-supported school district, this form must be signed by a District Employment Officer.

Principal/District Employment Officer: If any of the statements below are not true, then do not sign this form. If the statements below are true, then submit the form to the email address below as soon as possible.

By my signature, I attest that the information on this form is true, and I understand that if I misrepresent or falsify information on this form, National Board Certification shall be denied or, if granted, revoked.

By my signature, I hereby authorize National Board or its designated representative to verify the information provided on this form. I further authorize my employer to release my employment information to National Board for this purpose and hereby release them from any liability related to the issuance of this information. I affirm to National Board that (1) my current employment is at a state-supported school district; (2) I have earned at least a bachelor’s degree (or its equivalent) from an accredited institution; and (3) I hold a current, valid state teaching license/certificate (school counseling license if I applied for the ECYA/School Counseling certificate). I also represent that the information on this form is true, and I understand that if I misrepresent or falsify information on this form, National Board Certification shall be denied or, if granted, revoked.
INSTRUCTIONS FOR DETERMINING YEARS OF EMPLOYMENT

Candidates for National Board Certification (1) are required to submit verification of three years (or the equivalent) of successful teaching (or three years successfully serving as a school counselor if the candidate applied for the ECYA/School Counseling certificate) at one or more early childhood, elementary, middle, or secondary school facilities either located within the United States or at an institution accredited by one of the regional agencies recognized by the U.S. Secretary of Education; and (2) must have held the appropriate valid license/credential during those three years. Time spent in administrative positions, teaching or school counseling at the postsecondary level (community college or university/college), student teaching or in teaching internships (or student practica or school counseling internships), teaching under an intern license, and/or as a teacher’s assistant does not count toward the requirement.

Candidates for certificate areas other than ECYA/School Counseling who have taught part time are eligible, provided that they have employment that is the equivalent of three years of teaching. Substitute teachers may count teaching time spent in long-term assignments toward the three years; substitute teaching that consists of short-term or on-call assignments does not accrue toward the three years. The three years of employment must have been completed prior to the candidate’s application date as recorded on the front of this form and must have been done under a valid teaching license. Successful teaching means the candidate did not have his/her teaching license suspended or revoked during the period of employment being verified.

Candidates for ECYA/School Counseling who have served as a school counselor part time are eligible, provided that they have school counseling employment that is the equivalent of three years of full-time school counseling. The three years of employment must have been completed prior to the candidate’s application date as recorded on the front of this form. Successful service as a school counselor means that the candidate did not have his/her school counseling license suspended or revoked during the period of employment being verified.

Use the matrix below to determine if the employment being verified is the equivalent of three years of teaching or school counseling.

If you have questions about how to complete this form, call 1-800-22TEACH (83224).
IF YOU DO NOT MEET THE REQUIREMENTS TO COMPLETE THE CANDIDATE ELIGIBILITY VERIFICATION FORM, YOU MUST COMPLETE AND SUBMIT THE FOLLOWING FORMS:

- Candidate Education Verification Form
- Candidate Employment Verification Form
- Candidate License Verification Form
- Candidate Workplace Verification Form (if applicable)

Step 1: Education

You must possess a bachelor’s, master’s, or doctoral degree from an accredited institution—defined as a university or college that is authorized or accepted by a state as fulfilling the state’s educational requirement for initial teaching or school counseling licensure. (Completion of degree requirements without award of a degree is not acceptable verification of the education requirement.) If you hold a degree awarded by an institution outside the United States, you may need to submit proof that the degree is equivalent to at least a bachelor’s degree from an accredited institution (see instructions below). Note: Candidates registering for the Career and Technical Education (CTE) certificate are required to hold a bachelor’s degree only if their state required one for their current license. If you have applied for the CTE certificate and are not required by your state to hold a bachelor’s degree, complete the top half of the form and check the box pertaining to CTE.

Do you possess a bachelor’s, master’s, or doctoral degree from an accredited institution (or its documented equivalent), awarded prior to the date you applied for candidacy?

☐ Yes Complete the Candidate Education Verification Form then go to Step 2.
☐ No You are not eligible for National Board Certification.
☐ Yes I have applied for the Career and Technical Education certificate and a bachelor’s degree is not required by my state in order to hold a teaching license.

Candidate Education Verification Form

To complete this form, be sure to do the following:

- Fill in all information above the Educational Institution Officer box.
- Sign the form on the signature line.
- Write your National Board ID number in the space provided.

Then do one of the following:

- Send the form to the educational institution that conferred your bachelor’s, master’s, or doctoral degree. OR
- Apply online for degree verification at the National Student Clearinghouse website (www.degreeverify.com), and submit their degree-verification certificate along with your Education Verification Form to National Board. (Any other degree verification service may not be acceptable.) For this option, the educational institution officer does not need to sign the Education Verification Form. OR
- Submit an official transcript with your Education Verification Form to National Board. For this option, the educational institution officer’s signature is not required.

If your degree was awarded by an institution outside the United States and your state determined the equivalency of your degree to issue you a state teaching or school counseling license, you may attach to the form copies of (1) the state’s credentialing report and (2) your current license. You will not need to verify equivalency through a National Association of Credential Evaluation Services (NACES) institution. If your state did not do this, you will need to submit transcripts to an organization belonging to NACES and attach the resulting documentation on organization letterhead to the form. Following is a table of NACES organizations. (You can find organization websites and e-mail addresses at the NACES website [www.naces.org/members.htm].)

Candidate: Refer to the Completing and Submitting Required Forms section of this document for instruction on how to submit this form.
Step 2: Employment

You must have completed three years of successful teaching (or successfully served three years as a school counselor if you applied for the ECYA/School Counseling certificate) at one or more early childhood, elementary, middle, or secondary school(s).

- The three years of employment must have been completed prior to the date you applied for candidacy.
- The three years of employment must have taken place in one or more facilities located within the United States or accredited by one of the regional agencies recognized by the U.S. Secretary of Education. If employed by a school outside the United States, you must submit a letter from one of these agencies specifying that the school at which you were employed was accredited during the period of your employment. (A list of relevant regional accrediting agencies is provided on page 8.)
- You must have held a valid state license (not an intern or a similar license) during the three years of employment you verify.
- Successful teaching or school counseling, at a minimum, means that your teaching or school counseling license was unencumbered (e.g., not suspended or revoked) during the period of employment being verified.

Administrative/Adult Learner Teaching Positions

If you are a teacher in an administrative position or a teacher who is teaching in the adult learner community, you must be able to provide evidence of three years of classroom teaching (or the equivalent) at the pre-K through 12 level in order to pursue National Board Certification in any certificate area except ECYA/School Counseling.

Part-Time or Substitute Teaching

If you teach part time, you are eligible in any certificate area except ECYA/School Counseling, provided your teaching employment is equivalent to three years of full-time teaching. (For example, if your teaching assignment is 50% of a full-time assignment at your school/district, you must have taught for at least six years.) If you are a substitute teacher, you may count teaching time spent in long-term assignments toward the three years, but not short-term or on-call assignments, provided you did so under a valid state teaching license.

Part-Time School Counseling

If you serve as a school counselor part time, you are eligible to be an ECYA/School Counseling candidate, provided your counseling employment is equivalent to three years of full-time counseling. (For example, if your school counseling assignment is 50% of a full-time assignment at your school/district, you must have served as a school counselor for at least six years.)

The following do not count toward the employment requirement:

- Employment as an administrator.
- Student teaching or teaching internships (or student practica or school counseling internships).
- Employment as a teacher’s assistant.
- Postsecondary teaching at a community college or university/college. If you teach students over the age of 18, you must teach at the pre-K through 12 level (e.g., vocational classes in a high school setting).
- Employment under an intern or similar teaching license.

Have you completed three years of successful teaching (or three years successfully serving as a school counselor if you applied for the ECYA/School Counseling certificate) at one or more early childhood, elementary, middle, or secondary schools, as defined above?

☐ Yes Complete the Candidate Employment Verification Form then go to Step 3.

☐ No Stop. You are not eligible for National Board Certification.
Candidate Employment Verification Form

To complete this form, be sure to do the following:

- Fill in all information above the Principal OR District Employment Officer box.
- Sign on the signature line.
- Write your National Board ID number in the space provided.
- Be sure to record the date you applied for candidacy.
- Send the form to the personnel office of each facility for which you are verifying employment to meet the three-year teaching or school counseling requirement.
- Have each facility complete and submit the form to National Board.
- Be sure to ask for documentation of employment only as a teacher (or only as a school counselor if you applied for the ECYA/School Counseling certificate) at an early childhood, elementary, middle, or secondary school.

Each form should show the length of employment you are verifying from that facility. Do not include information on the form about employment in a nonteaching, noncounseling position (e.g., principal), or at a level outside the range of early childhood through secondary school (e.g., college or university teaching).

If you are verifying employment at an institution outside the United States, you must (1) complete and submit a Candidate Workplace Verification Form for that employer and (2) provide documentation from one of the accrediting agencies recognized by the U.S. Secretary of Education. Following are the two regional accrediting agencies that handle institutions outside the United States.

INSTRUCTIONS FOR QUESTION 3

Candidates for National Board Certification (1) are required to submit verification of three years (or the equivalent) of successful teaching (or three years successfully serving as a school counselor if the candidate applied for the ECYA/School Counseling certificate) at one or more early childhood, elementary, middle, or secondary school facilities either located within the United States or at an institution accredited by one of the agencies recognized by the U.S. Secretary of Education; and (2) must have held the appropriate valid license/credential during those three years. Time spent in administrative positions, teaching or school counseling at the postsecondary level, student teaching or in teaching internships (or student practica or school counseling internships), teaching under an intern or similar license, and/or as a teacher’s assistant does not count toward the requirement.

Candidates for certificate areas other than ECYA/School Counseling who have taught part time are eligible, provided that they have employment that is the equivalent of three years of teaching. Substitute teachers may count teaching time spent in long-term assignments toward the three years; substitute teaching that consists of short-term or on-call assignments does not accrue toward the three years. The three years of employment must have been completed prior to the candidate’s application date as recorded on the front of this form. Successful teaching means the candidate did not have his/her teaching license suspended or revoked during the period of employment being verified.

Candidates for ECYA/School Counseling who have served as a school counselor part time are eligible, provided that they have school counseling employment that is the equivalent of three years of full-time school counseling. The three years of employment must have been completed prior to the candidate’s application date as recorded on the front of this form. Successful service as a school counselor means the candidate did not have his/her school counseling license suspended or revoked during the period of employment being verified.

If you have questions about how to complete this form, call 1-800-22TEACH (83224).
Step 3: License
You must have held a valid state teaching license (or have met the licensure requirements established by your state for a "school counselor" and held that valid license if you applied for the ECYA/School Counseling certificate) for each of the years of employment you verify in Step 2. Employment under intern or similar licensure does not meet the licensure prerequisite. In addition, your license must have been unencumbered (e.g., not suspended or revoked) during your employment as a teacher or school counselor. If you are currently teaching in a facility that requires a state-issued license, you must hold a valid license from the time of National Board Certification application and throughout your candidacy period.
