

Communication Update

Session # _____ Date _____ Facilitator _____

- Cohort group completes this at the end of the session. Note taker may shift, but this information will be used by the Teacher Liaison in the PD schools to communicate with the administrator. Traditional or PD schools may use this form.
- **The cohort goal is based upon the school and district goals. The cohort creates a goal that connects with school and/or district goals. The cohort members refer back to this goal during every session to reinforce how the cohort & NB connect with other goals teachers address locally. This is not a goal for National Board completion or agenda items, but should focus on impact on students and the district.**

Cohort Goals: (Purpose – connect your National Board work with school/ district goals)

How will this session help teachers improve Student Learning?

(provide specific examples of things you learned about your students that will impact your teaching & connect to the school / district goals)

How will this session help teachers improve Instruction?

(provide specific examples of instructional strategies discussed during this session that connect to school & district goals. Ideally these connect with what you learned /noticed about your students)

Logistics
(room set up, time/scheduling, location)

Additional Support Needed

How is the group functioning together?
