This course is designed for NBCTs working on their Maintenance of Certification (MOC). It is populated with videos, tools, and resources to guide your work on MOC. Candidates can self-enroll in this course. This course was not developed by the National Board for Professional Teaching Standards and participation does not guarantee success on Board certification. It is not intended to replace cohort support or coaching.

The course is organized around nine modules:
1. **Getting Started**: Eligibility, difference between initial certification and MOC, important dates, and a roadmap to guide your work.
2. **Reconnecting**: Reconnecting to the 5 Core Propositions, Architecture of Accomplished Teaching, and your National Standards
3. **Equity Standards - Deep Dive**: Focused module on centering equity in your MOC work
4. **Professional Growth Experiences (PGE)**: Strategies for identifying PGEs
5. **Component 1**: Overview and tips for Component 1
6. **Component 2**: Overview and tips for Component 2
7. **Writing**: Overview on descriptive, reflective and analytical writing
8. **Submission**: Submission Tips
9. **COVID-19 Considerations**: How to access additional guidance and flexibility for working on MOC during the pandemic
