

Payment Plan FAQs

Signing Up

How does the payment plan work?

This interest free plan allows you to spread the cost of your components or Maintenance of Certification (MOC) into six equal monthly installments (about \$80 per component, per month). The payments will be charged to your credit or debit card (Visa or Mastercard only) monthly, on the date of your choice. Once your payment plan is established, you will be issued a coupon code for each component in your plan – the coupons will be used to complete your purchases in your National Board account.

Who is eligible for the payment plan?

The payment plan is available to all candidates completing components, including retakes and Maintenance of Certification (MOC) purchased during the 2020-21 cycle (even if you elect to defer).

Where and when can I sign up for payment plan?
